

# Intensive course in RECORDING ROCK ART

New methodologies for the documentation and management of an alpine and valley heritage

In the splendid setting of Valcamonica, the Valley of Landmarks - on the UNESCO World Heritage List since 1979 - the State **University of Milan** (through its branch known as the **University of the Mountains**, a centre of excellence for study, research and training in mountain themes) and the **Centro Camuno di Studi Preistorici** (Camunian Centre for Prehistoric Studies), at the forefront in the documentation and analysis of rock-art for 50 years, are organising the first interdisciplinary advanced **COURSE IN THE RECORDING OF ROCK-ART**.

The lectures will involve the leading experts in the sector, both nationally and internationally, some participating by streaming links from major research institutes.

**Maximum number of participants:** 25

**Dates of course:** first class in streaming 13 July 2018;  
intensive course 3-7 September 2018

**Duration:** 30 hours

**Cost of course:** € 300 (plus 16€ for administrative procedure)

**Registration:** write to [corso.edolo@unimi.it](mailto:corso.edolo@unimi.it) attaching your CV and cover letter. Registration will be completed during the month before the start of the course using the appropriate forms
